

# HR Benefits

## Expand your skills and knowledge base

Are you a human resources professional specializing in employee benefits looking to refresh or develop your skills or knowledge base? Then check out some of the great resources that LinkedIn Learning has to offer!

**COURSE**  
**HUMAN RESOURCES: COMPENSATION AND BENEFITS**

**DURATION: 1.5 HOURS**

HR expert Wayne Cascio addresses management, policy, and legal issues in developing pay structures, incentive plans, and benefit offerings.

**COURSE**  
**UNDERSTANDING YOUR COMPENSATION AND BENEFITS**

**DURATION: 0.75 HOURS**

In this course, you will receive a step-by-step guide to help understand what your prospective employer is offering you so that you can make a well-informed decision. Don't leave money on the table.

**COURSE**  
**ESTABLISHING A WELL-BEING PROGRAM IN YOUR ORGANIZATION**

**DURATION: .5 HOUR**

In this course learn how to define what well-being means to your organization, set objectives to achieve it, and identify the seven factors that affect well-being, from psychological and financial health to opportunities for personal growth. With these insights, you can make well-being a central part of your company's HR strategy.

**COURSE**  
**HUMAN RESOURCES: UNDERSTANDING HR SYSTEMS FEATURES AND BENEFITS**

**DURATION: 1 HOUR**

Explore use cases of soft and hard transferable skills with specific examples. By the end of this course, you'll be ready to fully identify the value of transferable skill sets to make your company a place where employees choose to stay.

**COURSE**  
**COMMUNICATING EMPLOYEE REWARDS**

**DURATION: 0.5 HOURS**

Instructor and HR consultant Catherine Mattice Zundel provides a detailed step-by-step approach to building a better communication program—and tying it all to employer branding. Use these tips to create exciting messages about why your company is a great place to work.
